In addition to the basics, dancers are introduced to compound steps & formations. These classes challenge dancers to improve their spatial awareness in a fun, supportive environment.

Technique Levels for ages 6+

Leveled dance classes (Ballet 1, Ballet 2, etc.) These classes focus on building a strong foundation in dance technique, while encouraging students to discover the joy in dancing!

Our Ballet Academy

The Dance Connection has a strong ballet academy. Dancers taking ballet with us see regular progress and enjoy our stimulating curriculum. We recommend that dancers in Ballet 2 and above take ballet twice a week to develop the skills necessary for progression each year.
