

# Everything you need to know about your Birthday Party!

## Once Upon a Princess

Thank you for choosing The Dance Connection for your child's birthday party. We'll go all out to make this a very special day for your child and your family. 🥰 We love taking care of others and creating amazing moments. Below is all the information you'll need to get started. Contact us once you're ready to go. ❤️

**The basic details...** Each party is 1 hour and 45 minutes long and costs \$529. There will be 2 staff members at every Birthday: A party leader and an assistant. Their job is to make your every wish come true. They work together so that children get from one activity to the other smoothly. They make sure the studio is ready for cake, crafts, and dancing at the right times. A princess has a lot to do on her big day, after all. 🧑‍🎓

**Who 🦉...** The party is appropriate for children turning ages 3-8 years old. We'll run the party a little different depending on the child's age. Our basic party package accommodates 15 guests. Boy guests are welcome. While we understand that most boys won't choose a princess party for their birthday, boys will certainly enjoy the party as guests. And, if your son happens to want a princess party for their birthday... we're ok with that too. 😊 Guests may arrive in their princess dress (or pirate, knight, prince costume if they prefer).

**We've got you covered...** The Dance Connection will take care of the following details.

- **Decorations!** 🎉 We love to make the studio look like a Princess Ball.
- **Food and paper goods** – That's 4 large plain pizzas for 15 kids 🍕 and water. Plus, plates, cups, napkins, forks, tablecloths fit for a princess. See below if you want more pizza, or if parents will join in the party.
- **A group craft** that your child gets to take home. 🧶 ✂️
- **Photos** – During the party the Dance Connection will take lots of photos. You'll get a shareable link.
- **Goodie bag** for each guest that's full of fun stuff to take home. We have "boy" goodie bags too.
- **Special Princess gifts** for the birthday child, including a tiara, a t-shirt, and other treasures.
- **Invitations** – We'll supply both an email invitation that you can customize and greeting card invitations.

**You** will have to be the royal decision maker for a few things. We've done our best to take care of the basics and leave the more personal decisions to you. Here they are...

- **Birthday Cake** – You bring the cake and candles. 🍰 We'll make sure there are plates, napkins, and forks. We even have a cake knife and lighter.
- **More food?** – If you want juice boxes and snacks for the kids, you are welcome to bring them. If you want to bring something for the parents, or if your child has requested something special, go for it. If it doesn't have nuts, we're ok with it. **The Dance Connection does not allow any nut products at any birthday party.** 🚫
- **More Pizza** – Additional Pizzas are \$20 each. 🍕 4 pies are usually plenty for 15 kids. Each child gets 2 slices. If you want more pizza for parents or other guests, please let us know.
- **Additional guests** – Additional guests (base party package covers 15 children) are \$10 for each guest. Make sure you let us know if you're having additional guests so we can get more pizza, goodie bags and set up properly.

**Book your spot?** We recommend booking your spot at least 4 weeks in advance. Reach out to our staff to see what times are available. A 50% deposit is required to reserve your spot. The deposit is non-refundable for cancellations made less than 7 days before the party date. The remaining balance is due the day of the party.
